JOIN
OUR
TEAM!

The **Intern and Extern Programs** offer a wide variety of exposure to different case loads to include surgery, sport horse lameness, internal medicine and ambulatory cases that will help further expertise in the areas of equine veterinary medicine students wish to pursue in their careers.

We offer **on-site housing and didactic training** including weekly journal club presentation / discussion and case presentation as an important component of the training program.

With our collaborative team you will receive **tailored guidance** in preventative and emergency care medicine, sports medicine with onsite horseshow experience within multiple disciplines, lameness evaluation, and field surgery.
